

## ChiChi Kornegay

August 6, 2024

Chi Chi Kornegay brought so much love and joy to her family over the years. She was a Chihuahua with a BIG heart. Her heart was just too big for her to carry. She loved to chase Buddy, or be chased by him, up the hallway. Later on, she liked to snooze under her blanket beds that mom made for her. Chi Chi also took pleasure in putting Nugget in his place and sneaking on the couch for a nap or two! She was loved by so, so many people. Everyone who met her loved her. She was the gentlest chihuahua. Chi Chi was deeply loved by her moms and brothers. She will be missed and not forgotten. Behind her she leaves a wake of emptiness taking with her a piece of all of our hearts in her little paw. We will always love you Chi Chi.

Love,

Megan, Mandy, and Nugget
