

Willy King

August 6, 2024

It is with heavy hearts that we announce the passing of our beloved companion , Willy, who crossed the rainbow bridge at the age of 17. Willy was born on October 28th, 2007 and passed away on August 6th, 2024. Willy was more than just a pet; he was a cherished member of our family and a constant source of joy and comfort.

From the moment he bounded into our lives as a playful puppy, Willy brought an abundance of love and laughter. His gentle spirit and affectionate nature made him an irreplaceable companion. Whether he was chasing after his favorite ball and rolling it back, snuggling in the bed, or greeting us with his wagging tail and bright eyes, Willy filled our home with happiness.

Willy had a unique ability to sense our moods and was always there with a comforting nuzzle when we needed it most. He enjoyed cuddling, playing with his brothers and basking in the sunshine. His loyal presence will forever be etched in our memories.

Willy is survived by his loving family, who will carry his memory in their hearts. He taught us the true meaning of unconditional love and companionship.

Rest in peace, Willy. You will be missed beyond words, but will live on in our hearts forever.

“ My sweet William. Who sat on the back of the couch, snored even when he wasn't asleep, and gave the best cuddles ever. I will forever miss my sweet boy.
